About us

London Trampoline Academy/London DMT is a 'not for profit' membership organisation. Our members are gymnasts or the parents (if the gymnast is a child). We register with British Gymnastics who governs the sport, provides insurance for clubs and individual members and offers competitions and events. Legal obligations

We have a duty of care to ensure it is safe for you or your child to take part in gymnastics activity and to keep you/them safe while participating. Some individuals may be at risk of harm from participating in gymnastics activity because of a pre-existing condition. It is vital that you let us know if there is any reason why taking part in gymnastic activity may be unsafe prior to participation. With your agreement, we will review any information you provide and undertake risk assessments in consultation with yourself and any appropriate trained professionals e.g. medical consultants.

When we ask participants to provide relevant health information such as details of medical conditions, medication needs, allergies or injuries, this is because we have a legal obligation.

If you are selected for a role at the club, we will usually obtain a reference from any appropriate organisation or individual you have nominated.

When you tell us about any special needs such as disabilities or other support information we may use relevant information to comply with our legal obligations under the Equality Act 2010. We will review any information you have provided to help us identify any actions we can take to support inclusion. If you are wishing to volunteer or work for us, we may need to ask you to complete a criminal record check as we have a legal obligation to do so. We jointly control the checking process with British Gymnastics who is responsible for the assessment of any content on the check and will only share information with us where it is appropriate. For example, if you are considered by British Gymnastics to be unsuitable to take on the role, we may share relevant and proportionate information about criminal offences where it is deemed that while you are not considered unsuitable to take on the role, if it is considered necessary for safeguarding purposes.

When we retain information about you, even after you are no longer taking part in gymnastics activity, this is often because we are required to do so by law such as records we are required to keep for business and accounting purposes. If you or your child are/is a competitive/elite/squad gymnast, we will need to collect additional information about you/them. If you undertake a role where a criminal record check and safeguarding training are required, we will receive confirmation from British Gymnastics if your check is approved and that you have completed the required safeguarding training.
