

# Aquila Competition Clothing

Below is a list of all Aquila Trampoline and DMT competition clothing. Leotards are mandatory for all competitions, and can either be purchased direct from the manufacture, or hired from Aquila.

## Girls Leotard

Our club leotard has since been discontinued by Zone Gymnastics Leotards. However, we have a limited number of new and used leotards in this design that you can either purchase or hire for competition. You can see this leotard and other items for sale via our website. Any questions, please feel free to contact us.

Product Code:	N/A
Colour:	N/A

- To quickly find any garment listed, simply enter the 'Product Code' into the search box on the respective website.
- Parents/gymnasts are required to purchase their own garments. Aquila does not purchase competition clothing.

- The girl's leotard is coated in a foil. Please pay careful attention to the washing instructions to retain the quality. If you have hired a leotard from the club, please DO NOT wash the leotard and return as worn.
- If you're not sure which size leotard to order, contact us. We can provide a few leotards to try on before you make your purchase.
- Both Milano and The Zone are usually very quick to post garments (typically 2-4 days), however if the item is not in stock, delivery can take longer. Please order your garments in plenty of time ahead of any competition.
- Girls are not allowed to compete in shorts. The shorts listed should only be worn during warm-up and/or during presentation ceremony (optional). For more information, please call or email (details below).
- The garments listed are the official competition clothing. No other clothing can be worn unless otherwise agreed with your coach (excludes DMT shoes, boys whites (manufacture only) and girls undergarment).
- We appreciate competition attire can be expensive, which is why we try to retain a design for 2+ years, and offer a hire service; however, we are subject to manufacture stock and future availability.
- Please note, we currently only hire leotards on a first come, first serve basis, at a cost of £ 3 per event.
- Gymnasts are encouraged to wear competition leotards occasionally during training sessions, especially approaching a competition, or if the garment is new.

Below is a list of recommended leotard manufactures which you may find useful to order training leotards or other trampoline gymnastic clothing.
